

New aspects of the Hadron and Astro/Nuclear Physics

Wednesday, 7 November 2018

Nuclear Astrophysics II (11:10 - 12:30)

time	[id] title	presenter
11:10	[8] Nuclear astrophysics and resonant reactions: exploring the threshold region with the Trojan Horse Method	Dr LA COGNATA, Marco
11:50	[6] Probing the Early Universe through nuclear physics	Dr PIZZONE, Rosario
