

Inha HTG workshop: Modern issues in Hadronic Physics

Friday, 8 July 2022

Session 3 (09:30 - 11:30)

time	[id] title	presenter
09:30	[7] Light-Front Dynamics in Hadron Physics	JI, Chueng-Ryong
10:30	[9] Axial-vector transition form factors of singly heavy baryons in chiral quark-soliton model	SUH, Jung-Min
11:00	[19] Deeply virtual Compton scattering with CLAS and CLAS12	JO, Hyon-Suk
