

# The 5th CKorJPARC Theory Workshop

## Friday, 27 February 2015

### Session 3: Pion stability and the chiral symmetry breaking in the chiral quark model - Hyeon-Dong SON (09:00 - 12:00)

-Conveners: Ulugbek Yakhshiev

time	[id] title	presenter
09:00	[10] Kaon transition generalized form factors and transverse densities from the instanton vacuum	SON, Hyeon-Dong
10:30	Coffee Break	
11:00	[11] Pion stability and the chiral symmetry breaking in the chiral quark model	SON, Hyeon-Dong
